OVERVIEW: Raise money from anywhere around the world. Robust funding platform that makes it quick and easy to raise money. You keep all the funds you raise; it is not an 'all or nothing' model. Rocketub is partnered A&E Project Startup and has potential for broad exposure (TV spot) or get funded through A&E.

**APPLICATION
PROCESS:**

- 1. Post the project (no upfront cost to launch):**
 - Describe the project in words and visuals (art, science, business, and social good projects - all welcome)
 - Set the funding goal and fundraising timeframe
 - Explain what you will give or do (goods or services) in exchange for funds
 - Use RocketHub's Crowdfunding Success School to support you along the way
- 2. Tell everyone you know, and keep up the communication to create buzz and momentum**
- 3. Raise your funds**
 - Raise money from anywhere around the world
 - Keep the funds you raise (not an 'all or nothing' model)
 - Reach your goal: **4%** commission fee + **4%** credit card handling fee
 - Don't reach your goal: **8%** commission fee + **4%** credit card handling fee
 - Get paid out fast
- 4. Do your project and communicate with your funders on how it is going**
- 5. Get those goods/services back to your funders as promised**
