OVERVIEW: **Who May Apply for Veteran Business Loans?**

1. Veterans (honorably discharged)
2. Service-disabled veterans
3. Active duty service members (within 24 months of transition—as eligible for Transition Assistance program)
4. Reservists and National Guard Members
5. Current spouse of a veteran or active duty service member
6. The widowed spouse of a service member who died while in service or as a result of a service connected disability

Other qualifying factors:

1. What kind of credit is needed? This program allows a special concession in the form of a “second look” at your credit report with a liberal and favorable review.
2. What kinds of businesses? Applies to most for-profit start-ups and established businesses, regardless of size, and whether a sole proprietorship, partnership, LLC, or corporation.
3. What can the loan be used for? For most business purposes, including start-up, expansion, equipment, cash flow, payroll, overhead, working capital, or inventory.

TERMS

- Loan amounts from \$5,000 to \$25,000
- No coupons or mailing—automatic ACH debit from your business account
- No prepayment penalty or balloon payments—pay off early and stop the interest
- Interest is low 4.5% plus Wall Street Journal prime

APPLICATION PROCESS: Our **Patriot Express** program helps **Veterans, spouses, Reservists and National Guard members**. We allow businesses to get capital to start or grow their business, without the hassle of government red tape.

Fill out attached application forms and mail or email.
